

## DESIGN AND PROVIDE COSMETIC TATTOOING (SHBBSKS003)

This unit describes the performance outcomes, skills and knowledge required to penetrate the skin to apply pigments in order to provide cosmetic tattoos on the face or body.

It requires the ability to consult with clients, design the tattoo, select pigments and equipment to tattoo lips, eyebrows and eye liner.

This course uses a Digital Machine (not included with the course) in performing the following procedures: Block Brow, Eyeliner and Lip Line Blend. 6 days non-consecutive. Everything is supplied during your training course.

All courses can be up to 3 students in a class at one time with multiple instructors.

### \$7150
